ABOUT ME

2nd year ICT student with basic knowledge of web development C, PHP, MySQL, Python. Interested in software development, database management, and learning new technologies. Quick learner , teamwork, and passion for building simple and user-friendly applications.

SKILLS AND ACCOMPLISHMENT

Technical Skills: C,PHP,HTML,CSS,SQL,python

Fundamentals: Data Structures and Algorithms, DBMS, Operating Systems, Object-Oriented Programming

Certifications: power BI , learning for data science , Data base management system , web development

PROJECTS

Voice Assistance AI [LINK](#)

September2025– December 2025

- Built a voice-controlled AI assistant using Python with speech recognition and text-to-speech functionality. Implemented commands for opening applications, websites, and playing music to provide basic automation and user interaction.
- Implemented voice recognition and text-to-speech features.
- Added voice commands to open applications and websites like YouTube, Spotify, Notepad, and Canvas.

Key Features:

- Add more voice commands and smart responses.
- Integrate AI chatbot features for better conversation.
- Add weather updates, reminders, and task management.
- Connect with IoT devices and smart home systems.

Wireless TMT Heart Monitoring System

March 2026 – Present

- developed a wireless ECG monitoring system using Python and Flask for real-time heart signal monitoring and visualization. Implemented sensor data processing, ECG graph generation, and heart rate analysis for healthcare monitoring applications.
- Developed a wireless TMT (Treadmill Test) heart monitoring system for real-time ECG monitoring.
- Used Python and Flask for receiving and displaying ECG data.

Key Features:

- Improve heart signal accuracy and monitoring performance.
- Add mobile application support for remote monitoring.
- Integrate cloud storage for patient data records.
- Add emergency alert system for abnormal heart readings.

EDUCATION

MARWADI UNIVERSITY

- Bachelor of Technology

Major in Information and Communication Technology

Cumulative GPA: 6.96/10

Relevant Coursework: DBMS , PWP ,IWT , MCI

Rajkot, Gujarat

Aug2024 – June 2028
